MEMORANDUM FOR: The Honorable Gordon Gray
Assistant Secretary of Defense
Department of Defense

SUBJECT: Informal Discussion of NSC Action 1290-d

Mr. Dulles has asked me to send you a copy of the memorandum for the record relating to the discussion which was held at Frank Wisner's house on September 26, on the subject of NSC Action 1290-d and the carrying out of programs relating to internal security forces. In view of the fact that

[redacted] has not yet returned to this country and consequently has not seen this memorandum, Mr. Dulles asked that it be treated on a wholly informal basis until [redacted] has had a chance to go over it and express his concurrence or dissent.

Mr. Dulles would appreciate it if you could note any questions or disagreements which you have with the attached memorandum and pass them on to him, perhaps at next Wednesday's OCB meeting.

[redacted]
